Subject: Expression of Hope for the Continued Operation and Expansion of the Non-Political Dr. M.A. Wazed Miah Memorial Foundation

Sir/Madam,

This statement is issued in support of the continued, unobstructed operation of the Dr. M.A. Wazed Miah Memorial Foundation (established 2010), an organization that has been guided by its Founder, A.K.M. Farhadul Kabir, for over a decade.

Commitment and Track Record

The Dr. M.A. Wazed Miah Memorial Foundation is fundamentally a non-political, social, and humanitarian entity. Since its inception in 2010, its activities have consistently focused on public service, philanthropy, and the promotion of excellence in various fields.

We express our strong aspiration to the Government for the uninterrupted continuation and expansion of the Foundation's vital work.

Impact and Future Vision

The Foundation serves a crucial role in enhancing Bangladesh's social and intellectual landscape:

- Honoring Merit: Through its platforms, the Foundation recognizes and honors distinguished national and international personalities, researchers, and educators, most notably via the Dr. M.A. Wazed Miah International Gold Medal.
- Empowering Youth: It provides significant benefit to talented students and underprivileged communities through its various educational and welfare programs.
- International Recognition: The Foundation's activities contribute to the nation's reputation by fostering international connections and promoting global standards of meritocracy.

We firmly believe that ensuring the sustained operation of this Foundation will serve the greater national interest by promoting intellectual growth, ethical leadership, and charitable service.

We trust that the Government will extend its principled support to allow this non-political institution to flourish and continue its dedicated service to the people of Bangladesh.

Sincerely,

Rev. Rodney Borneo
